<b>General Comments:</b>	<p>Overall, Catherine did a great job in teaching her lessons. She was very professional, had complete lesson plans, asked questions, was prepared for lessons, reflected on those lessons, and showed an understanding for differentiated instruction.</p> <p>The students loved her. She took it upon herself to get to know the students, play games, work with them, and help them with any questions they may have.</p> <p>Catherine took initiative when I was dealing student behaviors by getting the other students working on what they were suppose to do or leading the class in our next activity.</p> <p>I trusted her 100%. She will make a great teacher.</p>
